Dear Ms. Waldorf,

The following Preliminary Assessments have been accepted as partial fulfillment of DEQE's 1987 MSCA. These sites have been entered into CERCLIS as of June 30, 1987. Please note some of the priority recommendations have been changed. A brief justification for the change has been included.

<u>Site name</u>	<u>Town</u>	<u>State priority</u>	<u>State priority</u>	<u>Comments</u>
Jerry's Auto Service	Pembroke	NFA	NFA	Petroleum
Dumping of Barrels	Halifax	NFA	hold	Any post-removal sampling?
Natick Fed. Sav. Loan	Natick	Low	Low	Concure. Define/locate drinking water sources within 3-miles.
Boston Metal Prod.	Medford	Low	Low	Concure.
Rockport DPW Yard	Rockport	NFA	NFA	Concure.
C & S Oil Heating	Natick	NFA	NFA	Concure. Define/locate drinking water sources within 3-miles. RCRA status.
U.B. Windpower, Inc.	Burlington	Med	Med	Concure. In the text summarize

contaminants  
detected on-site.

Old Colony Petroleum	Randolf	NFA	NFA	Petroleum.
N.E. Petroleum Depot- Hornpond	Worburn	NFA	NFA	Concure.
Erving Paper Mills	Templeton	NFA	Pending	Name changed to Baldwinville WWTP. Need to locate water supplies within 3-miles. Define <del>Define</del> consti- tuents of efflu- ent. Identify if lagoon leaks.
James River Mill #8	James River Low <u>Fitchburg</u>	Low		Need to define: location of drinking water sources within 3-miles, gw status at site, post removal con- centrations.

If you or your staff have any questions or comments please  
contact me at 617-565-3690.

Sincerely,

Michael Nalipinski  
MA Pre-Remedial Coordinator
